

2018 DeKalb Elementary Science Olympiad

Event List

We use the 6th Edition (2010) “Competitive Tournament Rules Manual” from Science Olympiad with the exception of events marked “DeKalb Modification” below.

Look for Rules Clarifications on our web page: <http://fsc.fernbank.edu/ScienceOlympiad.htm> . We try to be consistent with the clarifications or modifications announced for Georgia’s state-level event but differences occur. Coaches should request additional clarifications directly from Olympiad coordinator Michael Dowling at Fernbank Science Center.
