

Fernbank Science Center

Title:	1ST GRADE SCIENCE CENTERS (2115)	Type:	Outreach
Level:	1st Grade	Length:	50 minutes
Location:	Local School	Limit:	1 class/period

Program Description

The Fernbank instructor will come with hands-on science centers based on the Georgia Performance Standards. The fall 1st grade centers are about water. The spring 1st grade centers are about magnets.

Please Note:

The program will need to be in the same room for the day. Water will get on the floor during the fall water program!

Georgia Performance Standards

S1CS3 Students will use tools and instruments for observing, measuring, and manipulating objects in scientific activities.

S1CS5 Students will communicate scientific ideas and activities clearly.

Vocabulary

observe materials

Pre-Visit Activities

The instructor will send the science centers in First Class before the program. Please read the centers with the children before the program to link science and literacy.

Post-Visit Activity

Water: Take a covered cup and an uncovered up with water and have the students observe the water over days to see that water in the closed cup does not evaporate and the water in the open cup does evaporate.
